- CR.NET (Console Application)
- VB.NET (Windows Application)

ABOUT US:

As competition intensifies, academic excellence alone is not enough to guarantee a successful career. Employers across the board are looking to hire students who are industry ready, something that our current system of education fails to deliver effectively.

We help you bridge this gap with industry readiness workshops which not only make you more employable but also groom you to become an asset to your organization. You can choose from our various functional workshops such as HR, sales and marketing, finance and accounting also Microsoft .NET, Web Designing etc.
